

Registration Now Open for \$120,000 LoneStar Sprint Nationals

Kilgore TX (3/1/12) by DarinShort.com. A whopping \$120,000 cash purse has been posted for the 2nd Annual LoneStar Sprint Nationals (LSN) this coming October 11-13, 2012; and today, driver registration to the event opens.

Please click www.darinshort.com/SCN.html to visit the event website and get registered – before someone else gets your number first.

The LSN is Sponsored in part by [Smiley's Racing Products](#), [The Oil Medics](#), [KJC Auto Title Loans](#), [Eagle Motorsports](#), [Palm Harbor Homes](#), [Kear's Speed Shop](#), [Outlaw Wings](#) and [ABC Auto Parts](#). Several associate sponsors are in the works and will be announced when they become available. Please email Darin at dssm93@msn.com for event sponsorship inquiries.

The LSN is a three-day, Sprint Car-only show featuring two divisions: Winged Sprint Cars and Winged RaceSaver® Sprint Cars, and is held at LoneStar Speedway in Kilgore, TX. LoneStar Speedway is a brightly lit, fast, high-banked 3/8 mile clay oval. Over 130 sprint teams entered the 2011 event with more than 100 racing each night.

Qualifying night (Thursday/Friday) 30-lap A-features pay \$2,000 to win and \$200 to start for the Sprint Car division; and \$500 to win and \$100 to start for the RaceSaver® Sprint Cars. No time trials.

Saturday night's Sprint Car division 40-lap 25-car feature pays \$13,000 to win and \$1,200 to start; and \$2,200 to win and \$400 to start the RaceSaver® Sprint Car 30-lap 25-car championship race.

As impressive as the purse for this event is, race fans can purchase a 3-day adult grandstand pass for 1980's pricing of only \$40 upon their arrival at the track on race night. Or, individual night tickets are \$15 each for Thursday and Friday, and just \$20 on Saturday's blockbuster event.

The Sprint Car division is for ASCS legal cars, and Sprint Cars will be teched by ASCS. The LSN is an ASCS sanctioned, non-points race for the Sprint Car division. The early entry fee for this class remains at \$100 for this race and pit passes are the same as 2011, which are \$30 each on Thursday and Friday; and \$35 on Saturday. A 3-day pit pass will be available for \$90. There is roughly an \$11,000 increase in the Sprint Division purse slated for 2012.

RaceSaver® Sprint Cars will be teched by RaceSaver.com rules and officials with one exception. Drivers may choose whether they wish to run the STS or SST stamped right rear tire – as was the case in 2011. The early entry fee for this class is \$100 for this race and pit passes are the same as 2011, which are \$30 each on

Thursday and Friday; and \$35 on Saturday. A 3-day pit pass will be available for \$90. There is roughly a \$9,000 purse increase for the RaceSaver® Sprint division for 2012.

Registration is now open and each division is limited to the first 80 entries received. By clicking www.darinshort.com/SCNdrivers.html race teams can gain direct access the event registration page.

Fans and race teams can also expect a large amount of track vendors, outside food and merchandise vendors, as was the case last year.

Bill Wright, AKA "Bill W," of Monroe Iowa will be returning to provide the call for the Sprint division. He will also conduct the competitors draw-in for both the Sprint and RaceSaver® divisions. Bill W has been on the media side of the sport for over 15 years as a journalist, website editor, broadcaster and announcer. His weekly 'Knoxville News' recap can be found on racing sites worldwide. Bill W is the announcer for the Sprint Invaders, Midwest Open Wheel Association as well as several other events.

RacinBoys.com will also return to provide audio webcast of the event, for those not able to make it to the event. They will also provide post-event video footage.

At last year's LSN we promised three nights of exciting Sprint Car racing action...and delivered on that promise. If you'd like to check out some of the action from the 2011 LSN, there are several video clips loaded at the event website from Don Cook of the Ft. Worth Star-Telegram and RacinBoys.com.

In an effort to maintain unobstructed spectator viewing, open trailer and smaller enclosed trailer teams will be pitted in the infield of the track, as in 2011.
